PROFILE

IT leader and consultant with more than 30 years of experience across enterprise infrastructure, cloud platforms, networking, service delivery and disaster recovery. Former senior infrastructure manager at SingularLogic, with a track record of leading technical teams and delivering business-critical technology projects.

AREAS OF EXPERTISE

- IT strategy & infrastructure
- Cloud & Microsoft 365
- Datacenter & virtualization
- Cybersecurity & networks
- Disaster recovery & continuity
- Technical leadership & delivery

PROFESSIONAL EXPERIENCE

Owner / IT Consultant

VALUE360 · Sep 2021 – Present

IT outsourcing and consulting for business customers: infrastructure management, reliable service delivery, cloud adoption and technology planning.

Corporate ICT Infrastructure Manager

SingularLogic SA · Sep 2019 – Mar 2021

Led a 12-engineer team supporting corporate infrastructure across Athens, Thessaloniki and Cyprus. Oversaw datacenter services (SaaS, IaaS, disaster recovery and colocation) serving more than 100 customers, plus customer platform delivery.

Professional Infrastructure Services Head

SingularLogic SA · Jan 2016 – Aug 2019

Managed engineering teams covering customer infrastructure, cloud/on-premises environments and application deployments. Supported solution design, presales and customer engagement.

Senior System Engineer

SingularLogic SA · Jan 2012 – Dec 2015

Designed and implemented server/network improvements and led Office 365 migration projects. Participated in national election infrastructure support.
